**Duncraig Edible Garden Inc.**

(DEG) is a Community Garden  
founded on Permaculture principles.

DEG is run by volunteers and you are welcome to  
join us. We are working together to grow a  
thriving community around a sustainable garden.

Weekday visitors are welcome to take a small taste.  
Please leave enough for everyone to share.  
Fruit should be left on the trees. Ripe fruit and other  
produce are harvested by the gardeners on Saturdays.  
Join us to share the harvest, enjoy the company, and  
visit whenever you wish.

Our vision is to grow, nurture and produce edible  
crops in environmentally sustainable and regenerative  
ways.  
Duncraig Edible Gardeners meet at the garden to work  
together in the open space. Together we can cultivate  
community, learn to live in harmony with our  
environment, grow food, and share the fruits of our  
labours.
